

**Where to send Quarterly Therapy Progress Notes:**

There are two acceptable methods for submitting progress reports: Either to the assigned, secured email address or through the US mail. All submittals are checked daily by assigned office representatives who have three days to get the reports to the Support Coordinators.

Therapy providers must provide current progress reports including the specific home program to the Division, the family and the physician for service to be considered or reauthorized. A sample format of the quarterly report and evaluation is attached to this e-bulletin. All fields in the reports must be filled out, including the start date of therapy.

**Needed Subject Line Information:**

Please make sure that the subject line of the email includes the following information:

Supervisor's name (if known) - or District Office name, followed by the Support Coordinator's name, followed by the consumer's first name and last initial.

**For example, "North Office, SC's name, Consumer's first name and last initial**
